Totals	356	260	0	617	988	51	1,521	236	2,796	2,397	1	5,368	11,153 ^a	2,440	-259	+5,368	+7,549

^a Includes 2,397 acres of dry meadow, of which 1,718 acres belong to the saltgrass dry meadow series; 994 of these 1,718 acres have saltgrass cover of less than 10%.

^b Includes little, if any, dry meadow.

^c Point-of-reference extent of marsh, wet meadow, alkali meadow, and wetland scrub does not include dry meadow.
